MAINELY BREWS HOUSE ALES

10 oz 2.25 | Pint 3.50 | 22 oz 5.00

Two Cent Bridge Ale

Named after one of the oldest suspension footbridges in the United States. This bridge crosses the Kennebec River and connects the cities of Waterville and Winslow. Workers frequently used this bridge to reach the paper mill for two cents a day. Our signature pale ale is made with the finest Cascade hops and Crystal malts.

Head Stash Ale

Named for the spots along the Appalachian Trail where hikers would strategically place useful objects near a campsite for the next hikers to enjoy. This peach infused hefenweizen is made to stimulate the taste buds.

Drop Dead Red

Known for its potency, this full-bodied, heavy-malted, dark red ale with roasted highlights provides an authentic red ale taste.

Post Office Porter

Our house porter is named after the historic building in which we reside. A tribute to all the postal workers, it is a traditional European style porter, with hints of sweetness to balance out the bitterness.

Da Blueberry Ale

It will BLUE you away!! This light, crisp ale is infused with Coastal Maine Blueberries and is named for Maine's number one exported fruit. A true Mainely experience.

The 470 Stout

Chug-a-Chug-a-choo choo. Named for the landmark locomotive that pulled passenger cars from Portland to Bangor years ago. You can visit the 470 on College Avenue here in Waterville. This sweet stout has a smooth finish giving it a creamy taste.

Mainely Sampler

All too good to choose? Try the Mainely Sampler, you can't lose. All six 5 oz samples.
